

Heavy Duty Multi Grade Diesel Oil Dominor Plus

SAE 15W40 / 20W50

API - SG/CF-4

Product Description

Goodyear Dominor Plus SG/CF-4 is combined engine oil for cars and trucks Developed to exceed the requirements of both gasoline and diesel engines, these oils are made using additives and base oils to provide extra oil economy and lower piston deposits.

Benefits

- Prevents carbon build-up in engine and prevents scuffing.
- Minimized oil consumption.
- Stay in grade shear stability provides wear protection and viscosity control.
- Maintains excellent control of oil consumption.
- Advanced detergency / dispersancy leading to cleaner engines and longer component life.
- Enhanced protection against wear & corrosion.
- Improved fuel economy and filterability
- High protection against oxidation, foaming , low temperature and sludge and high temperature deposits
- Excellent fluidity at low temperature ensures good starting and longer maintenance intervals

Application

Goodyear Dominor Plus is recommended for use in naturally aspirated and mixed fleet of gasoline engines & diesel-powered equipment of Japanese, European and American Manufacturers; mixed fleets, on-highway light and heavy-duty trucking, off highway equipment including construction, mining, quarrying and agriculture.

Properties

The exclusive additive system delivers improved engine cleanliness and protection against piston deposits allowing to exceed the demanding requirements of most OEMs. It is used by transport industries consisting of mixed fleets of gasoline and diesel engine. And its excellent thermal stability properties keep the stable enhances the oil change interval prolonged.

Typical Characteristics

DOMINOR PLUS	15W40	20W50	PERFORMANCE LEVEL- MEETS
API Grade	SG/CF-4	SG/CF-4	API-SG
Flash Point, °C	226	228	API-CF-4
Pour Point, °C	-28	-23	
Viscosity at 40°C, cSt	108.5	157.6	
Viscosity at 100°C,cSt	14.33	18.8	
Viscosity Index	130	125	
Total Base No., Min.	10.2	10.2	

Typical physical characteristics of Dominor Plus are given in the table. These are intended as a guide to the industry and are not necessarily manufacturing or marketing specifications.

Health & Safety

Detailed health and safety information for this product is provided in a Material Safety Data Sheet which is available upon request from your Goodyear lubricants sales office, or via the Internet on www.goodyearlubricants.me
