

Heavy Duty Multi Grade Diesel Oil - Fully Synthetic

# Incom FS

SAE 5W40/ 10W40

API - CJ - 4

## Product Description

Goodyear Incom FS CJ-4 is heavy-duty multi-grade diesel engine oil for use in the latest generation of high-speed 4-stroke diesel engines; working on high quality diesel fuel with sulphur content upto 0.05% per wt and specifically formulated for on-highway and off-highway applications. It complies with the low emission law besides meeting LOW SAPS requirement of the latest diesel trucks needing API CJ-4 level of performance and SAE 5W40 & 10W40 viscometrics. These products are made using proven additives in various engines tests and blended with highest quality fully synthetic base oils.

## Benefits

- Effective at sustaining emission control system durability where particulate filters and other advanced after treatment systems are used
- Enhanced protection against oil Oxidation, viscosity loss due to shearing, oil aeration
- Protection against catalyst poisoning blocking the particulate filter, Low engine wear, piston deposits, soot-related viscosity increase.
- Protects against deterioration of low and high temperature properties.
- Use the oil in engines using fuel with Sulfur up to 500 ppm; Synthetic oil provides wide temperature range and long drain.

## Typical Characteristics

INCOM	5W40	10W40	PERFORMANCE LEVEL- MEETS
API Grade	CJ-4	CJ-4	API-CJ-4
Specific Gravity @ 15°C	0.8500	0.8600	Caterpillar ECF-3
Flash Point, °C	225	230	Cummins CES 20081
Pour Point, °C	-40	-35	Detroid diesel 93k218
Viscosity at 40°C, cSt	84	91	MAK EO-OPP
Viscosity at 100°C,cSt	13.8	13.7	Volvo VDS - 4
Viscosity Index	150	153	
Total Base No., Min.	10.5	10.5	

Typical physical characteristics of Incom are given in the table. These are intended as a guide to the industry and are not necessarily manufacturing or marketing specifications.

## Health & Safety

Detailed health and safety information for this product is provided in a Material Safety Data Sheet which is available upon request from your Goodyear lubricants sales office, or via the Internet on [www.goodyearlubricants.me](http://www.goodyearlubricants.me)
