Premium Quality Diesel Engine Only

Terrain

SAE 40/SAE 50/SAE 70

API-CF

Product Description

Terrain are a high performance crank case oils for diesel engines. They are formulated using high performance detergent, dispersant, wear control and anti-oxidant additives with high quality base oils. It provides excellent high temperature properties, thermal stability, low volatility and good load carrying properties.

Benefits

Terrain provides the following benefits when used as recommended:

- Reduce the formation of piston deposits and varnish resulting from high temperature operation and sludge formation of low temperature service
- Protect against wear, rust and corrosion
- Reduce oil thickening due to excellent high temperature oxidation stability
- Maintains clean engine for long trouble free life

Application

Terrain are recommended for use in two and four stroke diesel engines in farm machinery, construction equipment, marine and other off-road applications.

Also, they are recommended for use is turbo charged and naturally aspirated two and four cycle engines.

Properties

It provides maximum protection for extreme weather starting and driving condition. It also provides excellent lubricity at both high and low temperatures. High performance additive system helps to reduce the oil consumption. It protects against foaming, rust and oxidation.

Typical Characteristics

| Terrain | SAE40 | SAE50 | SAE70 |
|--------------------------|--------|--------|--------|
| API Grade | CF/SF | CF/SF | CF/SF |
| Specific Gravity @ 15°C | 0.8880 | 0.8910 | 0.9050 |
| Flash Point, °C | 245 | 260 | 265 |
| Pour Point, °C | -12 | -12 | -12 |
| Viscosity at 40°C, cSt | 145 | 210 | 380 |
| Viscosity at 100°C , cSt | 14.75 | 19.0 | 26.50 |
| Total Base No., Min. | 8 | 8 | 8 |
| Viscosity | 98 | 98 | 93 |

| PERFORMANCE LEVEL- MEETS |
