

Super Tractor Oil Universal (STOU)

Traction

SAE 15W40

Product Description

Goodyear Traction STOU 15W40 Tractor Oil is a Super Tractor Oil Universal (STOU) formulated with high-quality mineral base oils and a multifunctional additive system to meet the requirements of a wide range of agricultural equipment manufacturers. This multifunctional oil can be used in many different agricultural applications and is particularly useful in equipment where there is a common lubrication system supplying oil for different applications.

Benefits

Goodyear Traction STOU 15W40 provides the following benefits :

- Excellent thermal- and oxidation stability.
- Good compatibility with most common seals and elastomer materials used in agricultural equipment prolongs seal life and reduces leakage.
- Excellent thermal and oxidation stability minimize the formation of deposits that could lead to component wear, and also ensure longer oil life
- Easier engine start-up, reduced wear in critical valve train and good hydraulic response
- Compatibility with seal materials. Good compatibility with sealing materials and non - ferrous metals used in agricultural machinery
