

4 Stroke Motorbike Engine Oil

# Victor 4T

5W40 / 10W40

API - SN

## Product Description

Goodyear Victor 4T are 5W40/10W40 are developed as a fully synthetic /Semi synthetic engine oil to meet the requirements of almost all the engines in passenger cars & Motor Bikes running on multiple fuels like Gasoline, Diesel, Bio Diesel, Gasoline-ethanol Mix, LPG & NG. It is particularly suited for turbo charged, multi valve and direct injection engines of cars & most of the motor cycles

## Features & Benefits:

Victor 4T provides the following benefits :

- As a fully synthetic / Semi Synthetic engine oil, it provides excellent oxidation stability, low temperature flow properties
- Helps to protect high performance engines from power and performance robbing deposits
- Helps to protect the engine throughout the oil drain interval
- Protection of three-way catalyst poisons by reducing the volatility of the phosphorus in the lubricant
- The most modern high torque 4 stroke motor cycles need such high specification motor cycle oil

## Application

They are fully synthetic / semi synthetic designed for use in modern gasoline engines, diesel engines (without particulate filters) and gas engines. And it is also suitable for use with bio diesel and Gasoline - Ethanol blends. The advanced formulation offers maximum protection in very hot and extremely cold climates and severe driving conditions

## Properties

The synthetic/semi synthetic technology gives very high thermal stability performance to the oil which leads to very prolonged oil change interval. Easier starting in cold weather, faster oil flow for engine life by protecting surfaces from wear and by helping to neutralize the corrosive combustion.

## Typical Characteristics

Victor 4T	5W40	10W40	PERFORMANCE LEVEL- MEETS
API Grade	SN	SN	API-SN/SL
Specific Gravity @ 15°C	0.8588	0.8620	JASO-MA 2 /MA
Flash Point, °C	230	232	
Pour Point, °C	-39	-30	
Viscosity at 40°C, cSt	81.0	95.0	
Viscosity at 100°C,cSt	13.75	14	
Viscosity Index	175	150	
Total Base No., Min.	9.0	8.5	

Typical physical characteristics of Victor 4T are given in the table. These are intended as a guide to the industry and are not necessarily manufacturing or marketing specifications.

## Health & Safety

Detailed health and safety information for this product is provided in a Material Safety Data Sheet which is available upon request from your Goodyear lubricants sales office, or via the Internet on [www.goodyearlubricants.me](http://www.goodyearlubricants.me)
